Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Thursday 04 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Clear skies for most tonight leading to a sharp frost.

This Evening and Tonight:
It will be a dry night with largely clear skies and light winds. A widespread frost will develop, severe in the glens. Often cloudier along the north coast. Minimum temperature -5 deg C (23 deg F).

Friday:
A cold and frosty start then a dry day with long sunny spells. Mainly light winds but southerly winds freshening over the Outer Hebrides. Maximum temperature 6 deg C (43 deg F).

Outlook for Saturday to Monday:
Turning a bit more unsettled with outbreaks of rain at times, especially in the west. Some drier and brighter interludes. Breezy at times in the west.
